Little Black Book

Forget everything you know about that "other" little black book. The names and numbers you need to know "now" are the ones for the hottest, most creative wedding vendors (I know, it's going to take some getting used to).

Style Me Pretty's Little Black Book is a highly edited collection of wedding service providers - from mom and pop boutiques to the A-listers. Personally recommended by our closest girlfriends, industry insiders and Style Me Pretty readers, there are three hand-picked listings per category.

Never fear though, in our *Little Black Book*, good things DO come in small packages.
