ASHLEY LIU AND ROBERT RISTAU | 09.06.08

Romance blossomed between Ashley and Robert during their time together at Princeton University. The couple chose a beachfront venue, nestled between the Pacific Ocean and the Ynez Mountains in California to share their wedding day with 175 of their closest family and friends. The breathtaking resort surrounds were a decadent backdrop for the early evening ceremony and four course dinner reception which followed. St. Germain elderflower liqueur and Prosecco cocktails were served as a glamorous addition to the evening. Tables were decorated with white tulips, succulents, roses and hydrangeas, matched perfectly with sophisticated steely blue hues.
